Built on Experience, Integrity and Results

THE VENERABLE LAW FIRM OF HASTY POPE LLP HAS BEEN around in one form or another since 1993, with brothers and partners, Jonathan "Jon" Pope and Tom Pope III, taking the reins in 2007. Focused on personal injury and workers' compensation matters, the attorneys of Hasty Pope leverage their considerable experience to garner top-dollar results for their clients.

PERSONAL INJURY POWERHOUSE The four attorneys of Hasty Pope include the two partners and two highly respected attorneys of counsel—William G. Hasty Jr. and former Trial and Appellate Judge Marion T. Pope Jr. Combined, Hasty Pope's attorneys have more than 100 years of legal experience. They practice exclusively

in the area of personal injury, including auto and truck accidents, medical malpractice, wrongful death and workers' compensation. "We made the decision several years ago to limit our practice to personal injury cases and haven't looked back since," says Jon Pope.

RESULTS Handling cases in small rural communities across North Georgia as well as large cities throughout Georgia and the southeastern United States, Hasty Pope has earned a reputation for getting results. The firm has achieved multimillion-dollar results in cases handled all over metro Atlanta to as far south as West Palm Beach, Fla. "With meticulous preparation and good local counsel, I believe you can handle a case most anywhere," adds Jon Pope.

EXTENDED GEOGRAPHIC REACH Because of this record of success, Hasty Pope has doubled its staff over the past couple of years, as well as expanded to two offices in Canton and Gainesville. "There is not an over abundance of firms specializing in personal injury cases in northeast Georgia, thus we felt it was a good opportunity to help people," says Jon Pope of the firm's Gainesville office.

This year, Hasty Pope is proud to announce that Jonathan Pope has been named to the *Georgia Rising Stars* list for the second time.

JONATHAN A. POPE A graduate of The Citadel and Georgia State University, Pope began his career at a mid-size Atlanta insurance defense firm before moving to the other side to handle personal injury matters. He is a 2004 "40 Under 40" honoree by *Georgia Trend* magazine, a former member of the executive committee and former president of the Young Lawyers Division of the State Bar of Georgia, and a current regional vice president of the Georgia Trial Lawyers Association.

TOM POPE III A graduate of the University of Georgia and Mercer University School of Law, Tom worked in Washington, D.C., for U.S. Representative Ed Jenkins, and later returned to Georgia to work on Sen. Pierre Howard's successful bid for lieutenant governor. After law school, Tom worked for several insurance defense firms before deciding to switch sides and concentrate on plaintiff's personal injury and workers' compensation matters.
